**Waiver and Release**

By signing above, I know that running [volunteering for] a road race is potentially hazardous activity, which could cause injury or death. I will not enter and participate unless I am medically able and properly trained, and by my signature, I certify that I am medically able to perform this event, and am in good health, and I am properly trained. I agree to abide by any decision of a race official relative to any aspect of my participation in this event, including the right of any official to deny or suspend my participation for any reason whatsoever. I attest that I have read the rules of the race and agree to abide by them. I assume all risks associated with running in this event, including but not limited to: falls, contact with other participants, the effects of the weather, including high heat and/or humidity, traffic and the conditions of the road, all such risks being known and appreciated by me. I understand that bicycles, skateboards, roller skates or roller blades are not allowed in the race, but baby strollers and dogs are allowed (and if I bring my dog, I will stop to pick up droppings) and I will abide by all race rules. Having read this waiver and knowing these facts and inconsideration of your accepting my entry, I, for myself and anyone entitled to act on my behalf, waive and release Sparkle 5K, the village of Warsaw, all event sponsors, their representatives and successors from all claims or liabilities of any kind arising out of my participation in this event, even though that liability may arise out of negligence or carelessness on the part of the persons named in this waiver. I grant permission to all of the foregoing to use my photographs, motion pictures, recordings or any other record of this event for any legitimate purpose. I understand that this event does not provide for refunds in the event of a cancellation, and by signing this waiver, I consent that I am not entitled to a refund if the event is cancelled before or during the event.

**Our course is certified to be accurate by USATF #NY17119KL.** For course map visit: <http://www.usatf.org/events/courses/maps/showMap.asp?courseID=NY17119KL>
